HARMONY IN THE FEELINGS

Beloved Ones, twenty-five percent has been added to the Constructive Activity that was begun by the Divine Director. That makes a hundred and twenty-five percent to the Victory and Power of Light! *(applause)* I want you to see and understand how—that the Great Goddess of Liberty drew forth the Great Cosmic Light from the Central Sun, and how the Mighty Power has enabled the war to be dissolved and consumed. This means more to Earth than any outer imagination can possibly picture. But that we could have the joy and privilege of informing you in the midst of this Class is something that shall receive my gratitude forever. Therefore, with me join now in that joyful acceptance of your ease and speed and Power of Freedom at your own Call that would have taken much longer, even with the

intensity, had this not been done. Therefore, a great, great Eternal Service has been rendered the Earth. And how shall I say to you in words that carry all I wish—your part in this Great Achievement? Beloved Ones, had it not been for these Mighty Decrees going forth reaching the Heart of Life—the Call for the Freedom of mankind—then all of this would still have remained.

Therefore, I want you to feel your part of this, and it's magnificent beyond all words. Allow no Student ever again to feel discouraged, to feel that their Calls are not being answered, or to allow the intellect for one moment to accept it. That cannot be the case, and therefore don't let your feeling or intellect accept such a thing in your Application. Go on and on in Full Power of your "Mighty I AM Presence" to hold the Victory for you. And I thank you with all my Heart, Beloved Ones. *(applause—audience rising)* Won't you be seated.

Dear, Precious People, do you realize how, innumerable times, you feel so accurately things? And of course every day I feel that I'm growing clearer and clearer in the activity of my feeling of things. But it is so tremendous that I watch it very closely to see how much I can depend on my own feeling. It is a very marvelous thing. And really so much, Precious People, is being accomplished, I tell you. And when I think of our humble beginnings. The friends are here today in the audience who know those first seven that were drawn together. It's a very wonderful thing. And, Dear Ones, to have built such a firm, mighty Foundation—oh! how great their wisdom—they, knowing that the mushroom growth could not be lasting. And yet how great has this been. And now how much more rapid will spread the Light to America and the world. I just ask you to watch it, because this will

remove from the feeling world of the mass of mankind the thing—the element that would to some obstruct the way to this Light.

Therefore, as all learn the secret of all things, do you wonder that we keep after this thing? We have got to do it. Whether you like it or not, we've just got to do it—keeping you reminded that Harmony in your feelings is the secret of the Earth, the secret of all things. And now as you are gaining the understanding of that more and more, you will have greater and greater obedience and greater and greater speed and Power of Action to your Calls.
